

Words cannot begin to express the deep feeling of love, gratitude and thanks that are in mine and the children's hearts. We are truly blessed to be a part of such an awesome parish community and the grief over the loss of our John has been easier to bear because of the help from our loving and caring St. Bede's family.

We will never forget your many prayers and acts of support and kindness, like all of the consoling visits, spending time with the children, the food, gift cards, flowers, plants, groceries and the many thoughtful gifts. It has been an enormous comfort knowing how deeply our friends care about us. Your warmth and unfailing sympathy has helped carry us through this incredibly difficult time in our lives. We will always remember your immense compassion and overwhelming generosity and may we always remember what a fun, loving, caring, and giving man John was to so many of us.

You are truly wonderful people and may God bless all of you, always.

Love,
The Correale Family - Maria, Gina and Joseph.
