

Dear Parents::

We would like to welcome your child to first grade! To help your child make the transition from kindergarten, please write the following reading words on index cards. Review these words over the summer. Once she/he has mastered these words, encourage them to continue reading and learning new words.

Reading Words for Children Entering First Grade:

I see red a yellow can look at the
my and blue big it in little not
have to you that do like get we
what one two three up but where
go here am for was has with
me this said are she he is play

Sincerely,

Mrs. Cochran & Mrs. Zanaras
