TELEPHONE (215) 944- 1010  
FAX (215) 944 - 1011

PLEASE PROMULGATE THIS INFORMATION TO YOUR students.

## Snow Day Procedures

Since all Council Rock school buses do 2, 3, or even 4 runs each morning and afternoon, it is impossible for them to alter their schedule, so the following rules apply to bus service supplied by Council Rock. Please pass this information along to the parents of your students. Thank you.

1. If Council Rock School District is closed – No transportation is provided to any school.
2. If Council Rock School District opens 1 or 2 hours late – All buses will be 1 or 2 hours late, even for schools running on a normal time schedule.
3. If Council Rock School District is operating on normal schedule, all buses will run on a normal schedule regardless if your school or school district is running late or your school is having a weather related early dismissal. **Your students must provide their own transportation on these days to school or from school.**
4. Afternoon transportation will be normal.

\*\*\*\*\*

In case of a decision to close school early, Council Rock will notify your school office as soon as the decision has been made and estimated times will be given to your school office. (Remember the bus drivers have to get from their homes to the bus depots in the same poor traffic conditions before they can start on their appointed routes.)

If your school decides to close early, we will make every effort after being notified that you are closing early to get your buses to you, but the availability of bus drivers may prevent our getting to your school earlier than your normal dismissal.
